

# BEWARE OF CREDIT CARD SCAM

Stay Alert. Stay Safe. Protect Your Money.

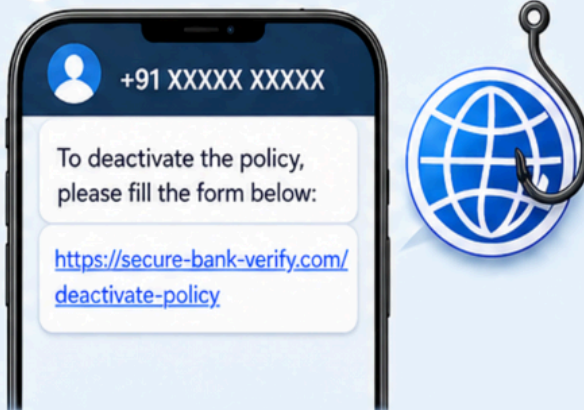

## HOW CREDIT CARD SCAM HAPPENS

### 1 FAKE CALL OR MESSAGE

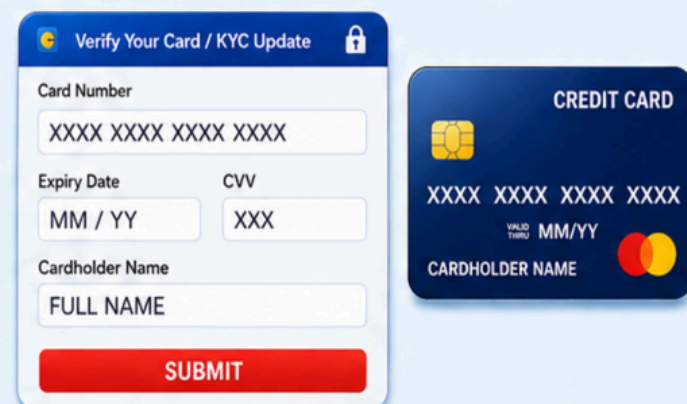

Scammers pretend to be from your bank and say a policy/service is activated on your card.

### 2 LINK OR FORM SENT

They send a link or form that looks genuine but is actually a phishing website.

### 3 YOU ENTER YOUR CARD DETAILS

You enter your card details thinking it's for verification. Scammers steal your data.

### 4 SCAMMERS USE YOUR DETAILS

Scammers use your details for online transactions and payments.

### 5 FRAUDULENT TRANSACTIONS HAPPEN

You receive alerts of transactions you did not make. Your money is stolen.

### 6 REALIZE TOO LATE & SUFFER LOSS

You realize it's a scam only after losing money. Recovery is difficult and may not always be possible.
